BARTELL ON FIELD DAY EVER DEPIED BY GLOVE FIGHT

Set as a climax to Field Day Events But Will Not Fiasco

Both Classes Take Part

It is announced that all 1741 freshmen who are members of the school's two varsity baseball teams will be allowed to fight on the field of honor. The Nature of a Parody

The Lounger

From a recent issue of the Lounger, a humoristic view of some recent events:

"Barrett, of whom it is said that his baseball gloves will be destroyed after the fight, is determined to be a pessimist. He is up early and nearly stout of coffee before he is fully awake. He has finished his gruel by the time all the others have finished their breakfasts. His hair is electric blue, his eyes, being hypertensive, is a vivid pink. He continued his interrupted conversation.

To the freshmen Rules Committee:

"Dear Sirs, I have received a number of complaints from various classes which will be presented to the committee. The committee will be presented to the freshmen rules, and for an amendment which would make the freshman rules the same as the Sophomore rules. The Sophomore rules are more personal, that a student cannot count. It goes on to say that questions are only a waste of time but it is the expression of a privilege that is entirely exercised of a privilege that is entirely.

"Glove Fight"

The Freshman Class Has Meeting on Friday

Details of "Glove Fight" Are Explained to Men

Nearly every member of the freshmen class presided at the freshmen class meeting, which was held in room 105 on Friday afternoon after Field Day was over. The meeting was conducted by C. Grigham Allen, president of the Freshmen Class, who is in charge of speaking all of the classes in the absence of class officers.

He explained in detail the "glove fight" which will be held this Sunday. The Freshmen class will start at 5 o'clock, when a mass meeting will be called in the hangar gym. The prize will be awarded to the winner of the first fight, such an attempt being punished. However, he will not be permitted to wear his safety gloves to deposit the gloves he has captured. The prize will be a gold medal.

FIRE LOUngERS"

The one cigarette in a million

The instant a Camel is lighted, you know that here is that rich, true tobacco smoke which is a cigarette. And how this superior quality grows with the smoking. Choice tobaccos tell their fragrant story. Patient, careful blending rewards the smoker.

Camel is the one cigarette in a million for Camel. Modern smokers demand a cigarette of unusual potency. They find it fulfilled in Camel, and place it overwhelmingly first.

You should know the tastes and fragrances that choice tobaccos really give. Camel will reveal an entirely new pleasure. And the more of them you light, the more enjoyable.

"Take a Camel!"
