John's name for the entire team.

Coach Haines Expects to Have

HOLD TIME TRIALS
BOSTON, Mass.-In the official notices for the freshman crew, Coach Haines has pointed out that the 3-4 crew will be one of the closest and hardest fought of the season. This crew will definitely be in the running for the varsity and Junior varsity crew slots. It is also possible that some of the men on this crew may work with the veterans. It is safe to predict that the Field Day crew will be one of the closest and hardest fought of the season, which will definitely be a factor in determining the varsity crew. The Increasers will have an important bearing, and the men who have the ability to give the best performance will be those who will be selected for the varsity team.

Time Trials on Freshman Team

The Boston Herald reported that the freshmen crew will be selected for the varsity team. This crew will definitely be in the running for the varsity and Junior varsity crew slots. It is also possible that some of the men on this crew may work with the veterans. It is safe to predict that the Field Day crew will be one of the closest and hardest fought of the season, which will definitely be a factor in determining the varsity crew. The Increasers will have an important bearing, and the men who have the ability to give the best performance will be those who will be selected for the varsity team.
