Large Number of Freshmen Signed Up for Sports

Class in physical training, which is one of the required courses for all freshmen at Technology, will start Monday in Walker Gym.

All men who have not signed up for a reception class in physical training will have three hours a week of calisthenics exercises under the supervision of the physical-training instructors.

The sign-up period, which has been conducted under the guidance of the physical-training instructors, has yielded preference for some sport instead of for the regular work in the gymnasium.

**Freshmen Smear Soaks In Fraternity Battle**

Field Day excitement has already spread beyond the campus. It was unusual to see a glow at the ends of the street.

Fraternity house at 530 Beacon Street was the scene of a tussle between the Freshmen and Sophomores. The Fraternity house was completely covered with smoke, and the window and door had been broken in.

A pajama party was held on the second floor.
