A-M Against New C's Statistical Advantage

In the second half, Park's left wing had an opportunity to do so by signing up at 2 p.m. on Tuesday afternoon at the boathouse on Tuesday and Thursday afternoons at 4 or 5 o'clock and on Saturday afternoon at 1 o'clock. In order to aid in keeping the program going, $200 will be invested in Stock, and several of them who wished to become members were also given the opportunity to do so by signing up at that time.

AERO SOCIETY HOLDS FIRST ANNUAL SMOKER

A Marine Smoker given by the Aero-

autical Engineering Society was held in Room 205, Student Union. After the Depart
dment motion pictures of the 1926 National Air Flies at Phila-

delphia, the Radio Beacon, and the Por-

tegral Flighting Corporation were shown.

In addition to this, the glider of the Aero-

autical Engineering Society, which was shown in flight, is now held in the Student Union.

Several of them who wished to be-

come members were also given the op-

portunity to do so by signing up at that time.

THE CROYDON—that new Swangar English last year by Johnston & Murphy

The style is a moter jacket (a special design in which the buttons come down to a point and are fastened with English-look buttons).

Exhibited in the finest department stores in the world, the CROYDON is the last word in "Omen" salt. Inviting, novel, and distinctive and is sure to make a hit on young students at all colleges as well as on prices. $14.00

WHAT you get out of a pipe

depends on what you feed it.

Millions of contented jimmy-

pipers will tell you that Prince

Alfred Commands,-sniffs and
delivers. You suspect you are in

or for some grand pipe-seessions

the minute you get a whiff of

P.A.'s aroma.

The first pipe-load con-

tends your assumption.

WHAT a smoke, Fellow! Remember when you

asked for the last dance and she

said "You've had it?", P.A. is

cool, like that. And sweet as

knowing in advance that P.A.

will not go up to your tongue or

your throat. That one quality

alone gets P.A. into the best

smoke-friendships. And then

think of all its other qualities!
