Fay and Lawrence Are Stars in First Full Field on Track Board

Marshall Fay, varsity half mile, provided the thrills in the fourth race; second, Dick McNiff, a freshman cross country runner, led the field in the 1000. Barbour was the victor in the 40-yard dash. Horsie Hardy who has scored more points than anybody else in the meet thus far back in the memory of this writer, won the 220. Gonzalez was going so well it looked as though he was going to win the 220, but it was Fay who won it and Lawrence who placed third. Horsie, not having run, was not a factor in the race. This is the first time these two have raced together. When they did race last year, the times were not as close as they were today. Three field events were held in the center column. You're welcome!
