W. E. NICKERSON '76 GIVES ALDERED LECTURE

TALKS ON WISDOM VERSUS KNOWLEDGE IN 10-250 TODAY

Is Man Who Donated Money on Wednesday to B. U. For Athletics

DIRECTS RAZOR COMPANY

"Wisdom versus Knowledge" has been announced as the subject of Mr. William E. Nickerson '76 in the second Aldred lecture of the year, which will be held in Room 10-250 today at 3 o'clock. In the Aldred series each member of the faculty in turn will address on some subject of interest, and both professors and students attending the series occurring at that hour will be entitled.

Mr. Nickerson is the man who was announced as the donor of a "substantial sum of money" for the endowment of a lectureship in the Department of Philosophy. He is president of the Gillette Safety Razor Company and a trustee of Boston University, and is also a graduate of Boston University.

This will be the second lecture of the Aldred series to be delivered by Mr. Nickerson, as he was not able to give the first talk in the series in 1923 as he was one of the first to accept the challenge to contribute as announced December 11 of that year on "The Curious Adventures of a Tech Grad.".

Talks on Experience is his program for the present, and he plans to make his personal experiences the subject of his talks, and he is expected to continue his talks on this subject today. This is rather unusual in an Aldred lecture.

Although he was graduated from Tech in 1926, Mr. Nickerson has not been out of that field into that of manufacturing and sales. In the Aldred lecture he told of his experiences and the way they are related to circumstances surrounding the manufacture of safety razors and their connection with the company which makes them. The Aldred series is one of the most important in the fourth series, in that it brings prominent persons of the student body which wishes to enter manufacturing and sales, especially into the capacity of Room 10-250.

In Memoriam

Lewis Major Sanford, 28, one of the most popular men in his class, passed away suddenly in Louisville, Ky. Wednesday night, according to a telegram received at the Kappa Sigma fraternity headquarters Wednesday morning. Sanford was a member of the straight 7 and had been a member of the Kappa Sigma fraternity. He was in the junior class of 12 ft. and had been a member of the Kappa Sigma fraternity.

Sanford was 21 years of age. He was graduated from the High School, Louisville, and entered the funeral service in 1922, graduating from Course II in 1926. He was a member of the Varsity Club and during his senior year a member of the Varsity Club and during his senior year a member of the Varsity Club and during his senior year a member of the Varsity Club Directors. The President of the Varsity Club Directors. The President of the Varsity Club Directors. The President of the Varsity Club Directors. The President of the Varsity Club Directors.
