What is doing in it is hoped that this team will be given defi-
ete form and size for de-

ection and action. The rapid pro-

gress of Turkey in chang-

ing from an Eastern to the modern billions of dollars for her political, social, and industrial life, makes Robert Col-

lege, the leading foreign school in Turkey, the center of oppor-

tunities both for the advance of science and a

morally profitable friendship between the United States and Turkey. There is every reason to expect that

PROFESSOR ROGERS TO ADDRESS MENORAH

On Tuesday evening at 7:45, in

North Hall, the Menorah So-

ciety will hold the first meeting of the

year. It will be a joint meeting with

the Student Hebrew Society and will be followed by an informal dance and refreshments. The speech of Robert B. Rogers of the English Department will be supple-

mented by the lecture of the Tech-

ological Society in Room 3-106.
