WHITING'S  SECOND CONCERT FEATURES PIANOFORTE MUSIC

Plays Selections From Bach, Brahms, Debussy, and Chopin

PROGRAM WELL RECEIVED

Music is a Comparatively New Art, Being Only Four

If his boasts are to be believed, the only thing which prevents you from hearing the concert tonight is the one and only fact that you have no money with which to purchase admission. This type was severely classical and impaired. It was not, in all fairness, an im-

After that, name the composers. There are Bach, Beethoven, Brahms, a personal or subjective matter. However, the program was by no means a failure. The concert was enjoyed by the students and concluded with an encore of "La Caccia" by Schubert, which was received with great applause. The evening proved to be a success, and the Institute can be proud of the music presented.

Corporation XV

To Hold Annual Industrial Tour

Four-Day Trip to Connecticut & New England

Exams

The Corporation XV annual tour was held on the first Sunday in January. The tour is planned to provide an opportunity for the members to see some of the industrial plants in Connecticut and New England. The tour will include visits to factories, museums, and other points of interest. The tour is open to all members of Corporation XV, and the cost is $25 per person. The tour will begin on Monday morning and last until Thursday evening.

LITCHFIELD WILL ADDRESS STAFF OF THE TECH TONIGHT

Members of Previous Boards Will Appear at Volume Banquet

HOLD DINNER AT LEXENO

New Boards of Paper To Be Made Public—Invite Undergraduate Leaders

"Litchfield" will open the song at the annual election banquet of the TECH tonight without foreboding from the youthful atmosphere of the occasion. The TECH will be well represented by the managing board members of volumes recently completed, and the students are scheduled to attend the election banquet in their behalf. At 8.30 o'clock, the Hotel Leno at 610-612, electric to the city dining room, will be opened, and the members of the new boards of paper will be invited to appear and make public their opinions.

Noted Chemical Warfare Expert Will Give Talk

Major General Fries to Speak Of New Developments In His Field

Major General Atwood A. Fries of the United States Army will give a lecture on chemical warfare at the Institute. The lecture will be held on Thursday, January 15th, in Room 10-250. The lecture is open to all. Tom Flanda, who has just returned to command of the 10th Army Air Force, will receive the lecture.

G. F. Rogers, Treasurer, M. I. T.

In the absence of the President of the Corporation who is on an extended trip, the meeting of the Corporation will be held in Room 10-250. The meeting will include a discussion of the Corporation's financial situation and its plans for the future.

Registration for T. C. A. Mid-Winter Outing Is Opened to All Students

Plan Three-Day Trip Packed With Exciting Winter Sports

Further plans for the T. C. A. outing are being made by the organizing committee. The trip will be held on the first weekend of February, and the students will be able to take advantage of the winter sports. The outing will include skiing, snowshoeing, and other activities.

Professor Leonard F. Hamilton '14 of the T. C. A., felt that many men are interested in the opportunity to take a trip during the winter months, and he has been working on the arrangements for the outing.

The meeting was called to order at 8 o'clock by the President of the Corporation, Mr. G. F. Rogers. The session was adjourned at 9 o'clock, to meet again at 10 o'clock on the following day.

**CALENDAR**

FACULTY CLUB TO HEAR DIEFFENBACH

A luncheon meeting of the Faculty Club will be held on Wednesday, January 21st, in Room 10-250. The meeting will be open to all members of the faculty.

Dr. Dieffenbach is editor of the German science journal "Zeitschrift f"ur Physik," and is a member of the National Committee of the German Revolution of 1848. He is a member of the German Academy of Sciences and has been awarded numerous honorary degrees.

WANDERING GREEKS ASKED TO ADMIT IT

Two books have been published in recent years by the Wandering Greeks, and they are requested to join the staff of the TECH student newspaper. These books have been praised by the TECH staff and are recommended to all students.

**NEW PROPOSITION IS UNDER DEBATE AT THE INSTITUTE**

Investigating Advisability Of Sending Representative To Turkey

WILL TEACH TWO YEARS

Professor Sutherland, Former Teacher at Roberts, to Teach Two More Years

"Tech in Turkey" is the name of the committee which has been elected to study a new project for Techmen. For several weeks this committee has been studying the advisability of sending a representative to the Institute in Turkey to teach at Roberts, but the committee has not yet been able to make a recommendation.

The committee, composed of Professor Sutherland, former teacher at Roberts, and several other members of the Institute, has been studying the possibility of sending a representative to Turkey to teach at Roberts for two years. The committee has been working on the project for several months, and it is expected that a decision will be made soon.
