BEAVERS AND NEW HAMPSHIRE HATE BATTLE TO A 3-3 TIE SCORE

Fans Pack Hangar to Witness Series of Interesting Matches

SCORE THREE KNOCKOUTS
(Continued from page 1) from Abbott is the 175. The first round seemed about even with Jamie Ahearn, but hitting his man up a hard left hand. During the round Abbott was clearly ahead. Sparing Jamie all around he started off with a repetition of the second round. Abbott pulling until a right hook and the crack-crack-crack the whole day long. In the next round Ahearn, after being hit, got up and finished the fight. During the round he really lost his time and rather fooling around. It made a real hit with the crowd.

The last knockout was at 175 between Captain Lou O’Malley of M. I. T., de- feated Farrell, N. H. Decision.

Boys More and Better Clothing Than Any Other Group of Students

Princeton students set the pace for the coming season in all athletic activities and are the best dressed group of undergraduates in the country, according to a survey recently made by a magazine devoted to men's style in forwarding tailoring clothes.

The percentage of Princeton students who pay $75 and upwards for a set of tailoring clothes is entertaining a discussion on the mark among those who are the only children in large families. "The classroom work for the undergraduate. All Seniors must pass the marks among those who come from large families," he declares.

The classroom work for the undergraduate is being made to improve. The students found the library and the women the sphere in the library, which would create a quieter atmosphere.
