FRATERNITY FRUSTRATION

"The letter which appeared in the Daily News last week, in which the writer states his psychological experience, is of utmost importance. It shows the necessity for a complete understanding of the problems involved."

SPORTS EDITOR

The sports editor was approached by a former sporting editor for a copy of the letter. He was unable to find the letter and suggested that it might have been filed in the editorial department.

THE GREAT SPORTS MYTH

"The myth of the great sportsman," writes the editor, "is based on the idea that sports are a means of physical and mental development. The fact is that sports are a means of physical and mental destruction."

MORE AMERICAN MYTHOLOGY

"Mythology," says the editor, "is the study of the beliefs and practices of primitive peoples. It is the study of the beliefs and practices of primitive peoples."
