RIFLE TEAM ENTERS NATIONAL MATCHES

Harbeck Likely to Beat His Own Record

Technology's rifle team will enter the National Rifle Association Intercollegiate with a clear record. The most in this section of the country will be held at the Commonwealth Armory, Saturday, March 24th. The New England team making the highest score throughout the year will receive the New England title as well as the National title as well as the New England title. The highest individual score on the M. I. T. team in last year's William Randolph Hearst Canadian match was 187-184 out of a possible 200. Captain Arthur R. Elliott '28, who holds the highest individual score on the M. I. T. team in last year's William Randolph Hearst Canadian match, has improved rapidly and has turned in some good scores. He has shown some fine shooting this year, being beaten by only five points in a shoulder match, he defeated Lieutenant T. all this season. His shooting thus proves that he has shown some fine shooting this year and has a good chance to finish among the leaders.
