THIRD VARSITY CREW IS ORGANIZED AND PUT ON THE RIVER

TECHNICAL MEETING, SCHEDULED MONDAY

Varsity and Freshmen Candidates Expected to Be Present

All candidates for the varsity and freshmen crews must be on hand for an afternoon of practice in Groton, for the purpose of selecting the men for the season. Arrangements will be made for returning the crew to Cambridge after practice, the results of which will be announced to the candidates. Arrangement has been made that the varsity will practice on the Varsity Boat and the freshmen will practice on the Groton Boat. The varsity prospects are excellent, with the hope that eligibility can be obtained enough to enter the regatta. The prospects are also excellent, with the hope that eligibility can be obtained enough to enter the regatta.

EIGHT SHORES ON WATER FOR FIRST TIME THIS SEASON

Possibilities of Several More Shells Limited Only by Lack of Coaches

WORK THREE LAUNCHES

Eight Technique shells defeated the Engineers of the Charles on Wednesday afternon, thus signalling the beginning of the long-awaited third varsity crew. In addition to the shells, the training bergs went out with its customary dose of excitement. The second varsity in its first workout, after the brainstorm, the excitement of the varsity, and the freshness will be the sorely needed rest.

The Heid-Knit is a friendly topcoat that you'll live with for nine months in the year and like better every time you wear it.

M. I. T. POLO CLUB

WHIPS GREENHOUNDS

Charles H. Topping '28, Stars

By Scoring Eight Goals

In a close game the M. I. T. Polo Club defeated the Brookline Greenhounds at the Brookline golf club Saturday afternoon. The Greenhounds, who were the hosts, started off with a white wind advantage and continued a steady offensive that won the big victory. In the final outcome which gave the M. I. T. the victory, the final score was 12-6.

THE great difference between an easy, free-swinging stride and a slow, plodding step is very largely a matter of heels.

Hard heels let you down hard—thump, bump. But rubber heels absorb the jolts and jars. Rubber gives, and lifts—helps.

Especially Goodyear Wingfoot.

foot Heels. They are all new, live cushioning rubber. They have style and they are Goodyear-guaranteed to outwear any other heels.

More people look on Goodyear Wingfoot than on any other kind. Your favorite shoe repairman specializes in Goodyear Wingfoot. Why not a new pair today?
