FACULTY EXTENDS SENIOR MAKE-UPS OVER FOUR WEEKS

M.T.A.A. MAKES RECOMMENDATIONS

Asis Award For Track Meet And Freshman Swimming

Many recommendations for awards and appointments were made at the last meeting of the M.T.A.A. on Monday night.

A motion was passed that the following men, each of whom had at least one first place in the Interclass Track Meet, be recommended as candidates for the Class of 1929: A. J. Laurence '29, M. H. Fay '29, R. E. Kiryv '29, and E. E. Saunier '29.

The motion was also passed that T. A. G. Shippee '30 be appointed swimming manager for the coming season, and that Clarence Paine '29 be made captain of the team.

Special emphasis this week will be on the sprint events, for the final meet will be held on Saturday. May 23 and 25. These days have been arrived at after examining the records of the past year and the needs of the team.

PRESIDENT INVITES AIRCRAFT ENGINEER

Mr. George W. Mead, chief engineer of the Pratt & Whitney Aircraft Co., is to receive the following letter from the editor of the Harvard alumni magazine:

"I am writing to express my appreciation of the invitation to President Samuel W. Willcox.

I would like to make an appointment for a discussion with the student engineers, members of the Freshman Society, and others interested in aviation. The meeting is to be held in Room 5-300 on Friday afternoon at 4 o'clock."
