The better high schools and other preparatory schools in the United States offer adequate preparation for the required entrance examinations given by the College Entrance Examination Board, in June, or by the Institute in September.

Graduates of colleges or of scientific schools of collegiate grade, and in general all applicants possessing satisfactory preparation, may work done at another college corresponding to at least one year's work at the Institute, are admitted, without examination, to such advanced standing as is warranted by their preparation.

The Summer Session extending from June to September includes most of the subjects given during the academic year and in addition special courses for teachers.

Any of the following publications will be sent free upon request: Catalogue for the Academic Year (which includes the admission requirements).
