AMPHLE PARKING SPACE DURING COMMENCEMENT

Due to the crowded parking situation in the neighborhood of Symphony Hall arrangements have been made with several garages in the vicinity to receive the cars of students parking during the exercises these garages will be permitted to operate from 10:00 A.M. to 1:30 P.M. for a special charge of 25c. After the time limit an additional charge of 50c will be made. Cars may be parked at the following garages: Center Garage, 27th and Locust Sts.; and South Garage, 16th and South Sts. (100 cars).

FRESHMAN RULES COMMITTEE MAKES RECOMMENDATIONS

Feeling that the re-organization of the entire student body is necessary to assure the success of the Freshman rules, the Freshman Rules Committee has vouchsafed the following suggestions to the Institute to consider and act upon, for the present year.

Without the support of the faculty and school and especially of the upperclassmen, the new rules will never be a success. The primary recommendation of the recommendation is that in the beginning the students should give to any group of the upperclassmen in this way which can be accomplished with the help of the teachers, some of the classes for the students and the students of the entire college.

The student body at a large will then be able to follow the lead of the institute and its recommendations for their own actions.

T. E. N. ANNOUNCES WINNERS OF RAFFLE

Winners numbers in the annual Freshman raffle made up by the Freshman Committee have been announced as follows: 300, 316, 317, 324, 363, and 321. If the holder of any of these tickets is not present at V. A. of Commencement Exercises on Tuesday, June 4, these tickets will be recorded as not sold and the names of the holders will be available.

Charle S. GOW STATES HUMANICS COURSE AIM

The New Department Head Prescribes Work to be Done

OPEN TO UPPER CLASSES

"Answers and individual reactions in general have been nil, that some essential quality is lacking in our work." This frank statement was made by Dr. Charles R. Lowt, President of Humanics Institute, to a group of trustees yesterday.

Lowlt, in opening his inaugural address to the trustees, said the new department was being organized on the basis of a long-recognized need, that it represented a new departure in higher education, that the world was at a crossroads and that there was a new movement in progress which was characterized by a demand for a new kind of education.

LOWELL INSTITUTE HOLDS GRADUATION CEREMONY TONIGHT

Lowell Institute will hold its 25th graduation exercises in its 26th season tonight. The exercises will include the presentation of the degrees of Bachelor of Science, Master of Science, and Doctor of Science, and the presentation of the annual Lowell Prize in the sciences.

The exercises will begin at 8:00 p.m. with the presentation of the degrees, and will be followed by the Lowell Prize address, which will be given by the President of the Institute, Dr. A. L. T. Moody. The exercises will conclude with the presentation of the degrees of Bachelor of Science, Master of Science, and Doctor of Science.

The Lowell Prize is awarded annually to the student who has shown the greatest promise of future achievement in the sciences.

THE TECH TO RECEIVE THEMATIC TRENT

The Tech editors will receive the Thematiс Trent award for the best thematic content in the newspaper. This award is given each year to the newspaper that best presents the students' views on current events and issues.

Other awards presented tonight include the Lowell Prize in the sciences, the Tech Prize for excellence in writing, and the Lowell Prize in the arts.

The Lowell Prize in the sciences is awarded annually to the student who has shown the greatest promise of future achievement in the sciences.

The Tech Prize for excellence in writing is awarded annually to the student who has shown the greatest promise of future achievement in writing.

The Lowell Prize in the arts is awarded annually to the student who has shown the greatest promise of future achievement in the arts.

The Lowell Prize in the sciences is awarded annually to the student who has shown the greatest promise of future achievement in the sciences.

The Tech Prize for excellence in writing is awarded annually to the student who has shown the greatest promise of future achievement in writing.

The Lowell Prize in the arts is awarded annually to the student who has shown the greatest promise of future achievement in the arts.
