Aeronaftial Building Opened
To First Students Monday.

The decision to limit enrollment followed an on graduate enrollment, and men in their second year. There are no restrictions to freshmen registering for their second year. The limitation applied chiefly to freshmen, registering for their second year. There are no restrictions.

Harvard takes Barge Up to Freshman Camp

Several novel features have been introduced in the freshman camp this year. "Hill" Residence, which is the home of the freshmen, is now a place of residence for all freshmen, and not just for the first-year men as it was last year. There have been new features installed, including a new water system and the first modern wind tunnels.

INORGANIC CHEMISTRY
