ENGINEER SOCCER
TEAM STARTS WORK
WITH RALLY TODAY

Most Bedford Darlies Oct. 6 on Coop Field to Open the
Hostilities

COACH WELCH BACK AGAIN
Baroudi and Wyman Lead List
Of Regulars Who Will Do
Both in Line-Up

Technology's soccer team will be
organized tomorrow when Coach
Welch holds a mass meeting at three o'clock. All
of the eligible regulars are expected
to turn out as well as anyone who is
interested in soccer. In addition,
Welch needs a large number of candidates
for the forward positions as most of
the men in these positions will not be
back this year.

Captains elect: Hogue will not be
back this year; therefore the
managers have decided to elect a temporary
captain in a few days. The
man has to be right up to date in
years, but it is also a hard one,
with the first game Oct. 5, with
Bradford Elementary. As this will
be a warm-up game the team will
try to be in shape by this time.

Among the regulars who are
expected to come back this year are
Rymans who made an exceptionally
good goal guard and who ought
to give the opposing teams plenty
to worry about. Howells and Flach, two
secure full backs will also like to keep the
ball out of the Cardinal and Grode's territory.

Case and Cooper are good halfbacks; although
Cooper and Case are good halfbacks; although
Welch intends to organize a fresh-
men football team this year, the managers expect
to get three games games open for both
fraternities. The fall season is a high-
way to be a home game the team will do its
best to be in shape by this time.

Buy at Your Store
and Get a Dividend

JOIN
TECHNOLOGY BRANCH
FIRST

To get the best results every Tech man should become a
member of the "Coop" before he begins to buy any of his
supplies. It costs one dollar to join for one college year.
You get a membership ticket with a number. Tell the
salesmen your number every time you buy anything that
costs 25¢ or more at Technology Branch, the Barber
Shop or the Main Store at Harvard Square. The total credited
to your number on June 30 is the amount on which you
get your dividend. The profits are divided among the
customers who join.

Dividend Checks for last year's purchases will be ready
for distribution in October. The dividend paid on last
year's business is 10% on each purchase and 8% on
charge purchases.

Checks are cashed. Charge accounts are opened for "Coop" members only.
The "Coop" is the official source of required textbooks,
drawing instruments and supplies in every course.

MANY MEN TURN OUT
FOR CROSS COUNTRY

Hold Practices for Winchester
Trial on Saturday

If anyone has the amount of activity
around the track he has to be in on something,
Technology will make a strong bid for the New England
Cross-country Championship this fall. Many veterans have returned and are
being aided by the men of last year's freshmen team as well as several
men that were ineligible last year. Coach Redfield has been busy
spreading the word and has some 
men down for the first
run on Saturday. He feels
that the men are working under a
handicap because of the shortening
of the training period in the last six
months by putting in three or four
hours per day.

The freshmen are not new in
falling out and already there is a
large turnout for the cross county,
and relay squads. Tryouts start next week and will
form the nucleus for this year's
track team.

Among the regulars who are ex-
pected to come back this year are
Rymans who made an exceptionally
good goal guard and who ought
to give the opposing teams plenty
to worry about. Howells and Flach, two
