At a meeting of the Varsity cross-country team yesterday afternoon Carver Worlter's, '28, was elected captain for the coming season to fill the vacancy caused by the failure of Norman McClellan to return to the varsity this fall.

Worlter, a veteran in track, having been a member of three teams for the past two years. He was awarded the straight "F" for his work in cross-country last fall. The new barrier leader was recently elected secretary of the M. I. T. A. A.

Their attendance at the meeting was unusually large, a good percentage of the candidates for the team being present. One hundred and fifty candidates, a large percentage of them being freshmen, attended the meeting held Wednesday afternoon. The meeting was called to order by President Walter F. Haines, '29, whose parents are the new men to whom he officiated.

For the first few weeks Harries in- tended to keep the names of the men in the books and in the meanwhile the Barter boys were the only boys to practice. The team will be selected and given an op- portunity to practice in the school halls. Although a large number of freshmen have already reported, it is expected that the list of candidates will be augmented by about twenty- or thirty more before the end of the week.

Mass Meetings Bring Out Men
For Both Squads—Fresh
More Numerous:

Field Day football opened with a bang at the mass meeting held last night. Concerning the short notice the number of men who turned out was surprisingly large. At the beginning of the semester in that track team was decided to be put on the road of the men who turned out, but at yesterday's opening practice, the twenty frosh out there were just as well off as the twenty seniors who turned out had a nice team and as a good many

The second year men have the West End field to themselves, and that will give a good man. Although it is not available because of the income received last season, but he is on the job as manager. These good men who will probably back he Ford, Kamy, Channahons, Mathieson and several others. One newcomer who looks promising in trying for the varsity is a member of the Class of '28, St. Louis Cardinal, who won the World's Series.
