Soccer Defeats Fresh 6-4 in
First Scrimmage Saturday

In a fast scrimmage afternoon, the varsity defeated the freshmen 6-4. This was the first scrimmage of the season and the team is expected to have only one or two new forwards to fit in the line-up. The forwards were in top condition a period before this game and therefore be in starting condition over the falls.

There are about fifteen freshmen and from these men are giving the regulars quite a battle in the scrimmages. It is expected that a few of these freshmen will make the varsity and that they will play some of the neighboring schools.

Cock Watch is very optimistic and thinks that both the freshmen and the varsity will have winning teams.

The freshmen have been doing quite a bit of roping lately but are learning to do it with ease. Topped off with a group of lock downs, back somersaults and less grand stunts.
