Bradford Durfee
Beats Engineers
3-0 in Fast Game

Bradford Durfee defeated the Engineer soccer team 3-0 in a soccer match played at the Copp Gymnasium. The visitors had a much smoother passing combination than did their opponents, and they were able to work the ball down to the Engineer half with ease. McCallum, a center forward, was the star of the afternoon, scoring two goals, one in the first half and one in the second. He was able to work the ball around the Engineers' defense with ease.

Bradford was kept from scoring more goals by the brilliant goalkeeping of Edwin Hawkins and George Wyman, goalies for the Engineer team. Hawkins succeeded in taking away from his opponents practically every ball that was near his way while Wyman made several fine saves.

The only scores that were scored were on a free kick and one from the goal entirely out of Wyman's reach.

Jim Plays Well
Uninside left, but the Engineer's ability to attack was continually hampered by the wall from the Bradford goals and the cutting down of through passes. The Bradford forwards soon settled down to score, and the ball went over the heads of the Engineer goalkeepers, kept the ball out of the net.

By the closing whistle Bradford had scored in the second half of the game, and the ball went in for the 3-0 final score. The Bradford forwards played well.

Here are the Carolins and Grey threatened to score some times, but they did not succeed in putting the ball through.

McCallum Scores First Goal
Towards the end of the half Bradford moved the ball forward and proceeded to work it down the field in the direction of the Enginee goal. After several passes the ball was sent in from the Bradford player, and shot the ball between the two white goalkeepers. McCallum, the Bradford forward, went on and the ball was placed in the middle of the field, the Bradford forwards worked up a good chance of scoring, and the ball was placed in the hands of one of the goalkeepers.

In the second half, the Engineers got the ball and put it on the field, keeping it there for some time. The Bradford forwards were given a good chance of scoring. The ball was placed in the middle of the field, and the Bradford forwards worked up a good chance of scoring. The ball was placed in the hands of one of the goalkeepers.

McCallum and Kastafian Score
About the middle of the period Bradford scored. The ball was placed in the middle of the field, and the Bradford forwards worked up a good chance of scoring. The ball was placed in the hands of one of the goalkeepers.
