BRIDGES AND PUNG
GIVE ANNUAL DORM PARTY IN WALKER

Prizes Will Be Given to Winners of Annual Dorm Tournaments
BUFFET SUPPER AT 9:30
Mr. Albert W. Bridges and Mr. Edgar Pung, following the policy of instigating last year, will give their annual party to the dormitory men, in Walker Memorial, this evening, at 7 o'clock. The prizes for the party have been tabulated into three classes. The first party class and second party class will be sailed at 7 o'clock, the winners of the first class expected to participate in a final test of the best dormitory. An elimination of the first party class will be started at seven o'clock, the third party class will be held at 8 o'clock. There will be music, dancing, and feasting in the hall throughout the evening.

R. O. T. C.CADET OFFICERS NAMED

Enrollment in Advanced Course Shown to Increase in Air Service

Announcement of the following appointments and promotions of cadet officers in the Reserve Officers Training Course is made by the Department of Engineering.

To the rank of Major and Battalion Commander Raymond P. De Sousa, Boston, Massachusetts.

To the rank of Captain and Battalion Commander William F. Walder, Rochester, New York.

"B" Company, Donald E. Fraser, Commander, Augusta, Maine.

"C" Company, Joseph Harrington, Commander, South Portland, Maine.

"D" Company, Amaan G. Smith, Commander, Farmington, Maine.

Figures from the department indicate that the cadets in the different Reserve Officers Training Courses show an increase of 300 per cent over last year. There are over 80 cadets in the different corps, the air service making the greatest gain, with the Cadet Warfars making the greatest decrease. The figures are as follows:

ADVANCED COURSES
First Year and Second Year
Cape Air Castle

Cost of Engineers

Berea College

Chemical Warfare
Total

14 100 149

PRESIDENT STRATTON IS KEEPT VERY BUSY

President Samuel W. Stratton seems to be a busy man as is evidenced by the fact that along with his regular work at the Institute he is chairman of a government committee and is investigating other activities.

President Stratton was busy giving talks before various groups.

Just before he sailed for Europe in July President Stratton spoke before the Massachusetts Committee of the Boy Scouts of America. While in New York he spoke before the National Council of Safety at their annual meeting.

At the National Convention of Safety during the last week in July President Stratton gave an address on Wood, Engineering. October 4 he presided at a meeting of the Council on Safety on Aviation in New York.

FRESJiENI LEADERs MEET AGAIN TODAY TO PLAN FIELD DAY

Volunteers Needed to Coach Freshman Team

Are you a football coach? If so, the freshman football team needs your help. The team is open for new members all this year until Field Day. It is expected that the team will win more than it did last year. The first practice of the new season will be held on October 12 at the track house any afternoon at 3:30 o'clock.
