President Gives Freshmen Idea of Technology Life

Qualifications for Engineers Discussed—Courses Are Outlined

Activities Beneficial

Student Government Rest In This Country, States

Dr. Stratton

President Stratton addressed the entering class in 11 a.m. Sunday, the 26th, 1926, morning in the Church of the Presidents. He is a good engineer, and on the minutes that should be observed at the Institute.

Prof. Stratton opened his remarks by commenting on the number of freshmen, who, in fact, formed the first class to address the Freshmen. He maintained that freshmen were not just a vital part of the student body but an integral part of the Institute's future.

The President pointed out that the freshmen had been divided into five sections, and that each section would be assigned to a faculty member.

From Committee: Members Chosen by Class

Devars, Hawkins, Houston, Ladd, and Williams Manage Social Affairs

Five out of the six men nominated for the Freshmen Committee were declared successful candidates. The candidates were Joseph W. Beals, Roland T. C. Leach, and David W. Wilson.

The Committee on Freshmen has been given the task of organizing a program for the next freshman mass meeting, to be held at 7:30 p.m. on the 27th.
