HONOR ENGLISH TO START NEXT TERM

Give Men Chance to Choose Their Majors in Aids to Arts Field

The English Department is now planning to introduce a new English major in the next term. The new major will be offered to men students and will be designed to prepare them for teaching positions in secondary schools. The department has already received a number of requests for information about the new major.

PEACE DISCUSSED BY LIBERAL CLUB

Mr. John H. Sheldon Conducts Interesting Discussion on World Peace

Although handicapped by the poor attendance, the Liberal Club held one of the most interesting and entertaining discussion meetings of the year today. The subject was "World Peace," and the discussion was opened by Mr. John H. Sheldon, who is well known in the field of international affairs. The meeting was well attended, and many important aspects of the problem were discussed.

NEWSIES ALL SET TO TRAMPLE 'unique' Fumblers Into Gridiron on Wednesday

Heavy Livestock and Fast Backs of THE TECH Repeal Hopes of Yearbook

A magnificent aggregation of problems was presented during the meeting of the Tech polo team today. The team is composed of the finest athletes in the country, and it is expected to win many games this year. The Tech polo team has already been invited to play several important matches, and it is expected to do well in all of them.

DANCE OF THE TECH Repeal Hopes of Yearbook

The Tech polo team's prospects for the upcoming season are bright. The team has a good nucleus of experienced players, and it is expected to grow in strength as the season progresses. The team's opening game is scheduled for next week, and it is expected to be a thrilling contest.

SCHEDULE FOR VARIETY CREW RACES ANNOUNCED

To Meet Harvard and Princeton on the Charles—Navy and Columbia Away

LARGE NUMBERS OF CANDIDATES FOR VARIETY CREW WORKING OUT DANCES

With the opening of the new spring season, the Varsity Crew Club has begun to plan for the coming year. The crew will be divided into two teams, and each team will work on the development of their respective dances. The team which is most successful in the development of its dance will be chosen as the official team for the coming season.

COURSE OF STUDY FOR VARIETY CREW DANCES

The following are the courses of study for the Varsity Crew dances:

1. The Daily News

2. The American House

3. The Harvard Review

4. The Yale Review

5. The Princeton Review

Each dance will be supervised by a different faculty member, and each team will be required to present a complete dance at the end of the season.

MOBISVOTE RECORDS CLERK DISMISSED

The Tech's three Clerks "reached into the maw" at one o'clock yesterday afternoon and found that they could do the work of the present lineup of three clerks. It was later announced that the new lineup of clerks will be "classified into one district, and that district will be under the supervision of the head clerk.

THE TECH's Clerk

The management of the Tech has decided to dismiss the present Clerk, Miss Jane White, and to substitute a new Clerk. The new Clerk will be employed on an experimental basis, and it will be determined later whether or not to continue her employment.

The program will delight the Tech's readers and subscribers alike.
