Doleman Wins Fall Tennis Tournament by Defeating Wigglesworth in Finals

Fighting a cnvigting forehand game, with a steadiness that has been characteristic of his playing during the entire tournament, Doleman defeated Wigglesworth 6-4, 6-3, and 6-2. In this last match Doleman was pushed in every set. Wigglesworth started the match with a flashing attack of forehand drives and succeeded in getting the first two games. Doleman rallied and brought the score to 2 all. Both men won their next two serves, and it was all again when Doleman broke through and won the set 6-3. In the second set Wigglesworth came back with a steadiness of his own and again the score was tied at 2 all. Doleman then broke through to win the set, but again Wigglesworth came right back and before Wigglesworth got under way, Doleman won his third set 6-2, and the match was over. The score to 7-5 in his favor.

By winning the annual Fall tennis tourney, Doleman is a fine runner and should be favorably received in the spring season. He will be one of the three top men and should do well in the intercollegiate.

Saturday afternoon the longest championship of the fall was held on the track at Franklin Park. The handicap was a success in every way and the results prove a fine one for the Institute track team. The television companies, especially, were interested in the meet, and sent their personnel to cover the meet. The police and fire departments were also on the scene in force.

The first race of the day was the quarter mile, which was won by Jack McLeish. Jack is a native of New York and is well known here as a runner. He beat his brother in the race.
