Class Swimming Meet Is Tonight
Teen Competitors Expected at Several Venues Will Compete

Some close races are expected to take place in the University Classic, which will be held tonight. The swimming team is pet under way. The meet will be held at 3:30 o'clock and admission will be free to all friends of the institution. This meet is expected to get a real line on the swimming abilities of the team.

The team this year has a nucleus from the junior class. Brearly stalks Ralph Appling and Raymond Rosinski, both seen on the deck last year's freshman team, are gaining their strength. Ralph Appling won the breast stroke event last year while Raymond Rosinski took first in the 200-yard back stroke last year.

Tech took first in the 440-yard U. S. Navy. Wesleyan, Tech, and Columbia. He is also a pick for the 440-yard 100-yard back stroke.

Capitlin "Larry" Lary has been working hard and bids fair to break his own records. Larry won the back stroke event last year and is top pick in the breast stroke at Columbia. He will join the New England Championships last week along with the other Harvard 440-yard breast stroke championship in 1:45.5.200 also on the relay team and will probably enter either the 50-yard or the ten-yard stroke.

Phl Thorpick, veteran dash man, is also back. Phil was on the relay team and was a consistent performer in the 100-yard dash last year from last year's freshman team to the second year. Phil is a member of the Harvard swimming team and enjoys the water.

Columbia's Edwin L. L. L. and Art Lutz, dash men on the third team, are top picks, but the starting lineup, this Saturday morning is still unknown.

For their first match only three days away, the Varsity Polo Team is rapidly rounding into shape. Two men have been added to the roster. The first week these two men take indoor instruction on the wooden horses. George Lawxson was kept out of the last Columbia-Technology game last Saturday because of lack of practice. With that game showing their weaknesses and also with an added three days to profit by their practice, the Varsity should show up fairly well to-night.

Coach Bill Stewart will be able to line up his forward line fast for the first time during the game during the day. Captain W. H. Green, Connecticut, is still uncertain. Harvard has experienced some inconvenience in the loss of their goalie from last year, and at present who will make the play at this position is unknown. Those who will probably be given a chance to show their worth during the game are Elkins, Jackson, and Novello.
