NEW YORK TRIP OF CORPORATION XV IS ARRANGED

Business Students Will Spend First Day at Industries in Hartford

MANY SHOWS TO BE SEEN

Mid-Term Trip To Begin January 27 and End In New York January 30

Corporation XV has planned its annual school trip to visit the industries and factories which are of special interest to students. The trip will last three days, commencing on Sunday, January 27, and will end on Wednesday afternoon, January 30. Many of the students plan to remain in New York or the meets in New York or the northern states and will arrange to go to New York to wish to go with the majority.

The first stage of the journey will be to Hartford, which the group will reach on the evening of the first day. The industries and factories which are of special interest to the Corporation will conduct the tour through their plants on Monday morning. These will be located at the Manchester and other metropolitan centers of the modern industries, and will include the most modern of airplane equipment in this company. A special visit to the Medical Department will be arranged for, to inspect the latest equipment and to learn about the regulations of the Board of Public Health.

During the afternoon on Monday, the group will proceed to New York City, where they will be received at the hotel by Mr. A. B. Rogers, the alumni director. The Monday evening the group goes to the theater, where a performance of a musical comedy will be presented. All the industries will be visited. A special visit will be made to the Bell Telephone Company, which has been invited to participate in the New York Stock Exchange. The play will be presented at the hotel, under whose direction the members can see just where the stock of these companies became influential. The trip to the Metropolitan Museum of Art will be arranged for Tuesday morning. In the afternoon, the group will visit the special exhibit of the Indian art and the opposition of ancient India. The Pashupatinath-Swami club is visiting the city on November 27. (Continued on Page 4)

TECH SHOW POSTERS ARE DUE ON FRIDAY

Designer of Winning Poster to Receive 2 Show Tickets

As announced before the vacation, the Tech is preparing to post a final notice on the bulletin board which is now under way at Rogers, and will end this Friday. At this time Professor William Emerson will direct the design, which is composed of the poster which will receive the Tech's approval of the design. It is the intention of the Tech to use the poster as a guide to the students in the design of their posters. Professor Emerson is an expert in the subject of design and is anxious to see the students use it to their advantage.

The TECH SHOW POSTERS ARE DUE ON FRIDAY

ELECTIONS TO THE THETA TAU COME TRUE

Theta Tau, the national honorary society, will elect its 150th delegation of 15 Juniors at an installation banquet at the faculty dining room on Wednesday, January 16. The installation ceremony will be held at the Tech club on Thursday, January 17. The installation of Theta Tau is one of the most important events of the year, and it is a fitting tribute to the officers of the society for working so hard to make it a success.

DAVIS AND COLEMAN DIRECT COLLOQUIUM

The Drama Club will present the colloquium "Indirect Coordination" by Professor William Davis, which was read before the American Institute of Electrical Engineers last year. The colloquium is a study of the indirect coordination of the electrical systems of the United States, and it is a very important contribution to the field of electrical engineering.

HINDUSTAN SOCIETY PRESENTS OLD PLAY

"The Little Clay Coat," an ancient tragic comedy, written in India 1490 years ago, was presented at the Tech college, and was given a very successful performance.

MUSICAL CLUBS TO GIVE TWO CONCERTS

Two concerts were given by the music clubs of the college this week, the first on Wednesday and the second on Saturday. The programs were well attended, and the concerts were given in the Tech auditorium.
