Circus Investigation Committee
Reports on Advisability of Holding Event

STUDENT OPINION DIVIDED
(Continued from Page 1)
by the Institute Committee to study the advisability of holding such an event. The President, Mr. George T. Logan '29, read at the Institute Committee meeting on Thursday, January 10, 1929, the chairman of the investigation group, had found no recommendations of Holding Affair.

The possibilities of obtaining a Circus were considered along three lines. The committee was aware of the financial problem, the use of the Armys in which the previous Circuses had been held, and the matter of student support.

Since the only source of money to run the Circus was the class treasury, the Committee decided that the class officers should be able to have a copy of the reports of the investigation group.

Student Opinion Divided

The advisability of holding a Circus and the matters on which it would affect the students was divided in opinions. The fostered opinion was that of the majority.

Student Opinion Divided

It was decided to divide the question into two parts. The second part was the opinion of who or what student support could be counted upon.

The committee also decided to divide the question into two parts. The first part was the opinion of who or what student support could be counted upon.

The second part was the opinion of who or what student support could be counted upon.

TRAFFIC PROBLEMS WILL BE DISCUSSED

Mr. Maxwell N. Baker, Traffic En-

gineer of the Boston Public Schools, will discuss the traffic problems in the city of Boston.

Mr. Baker will present a review of the traffic conditions at the present time and discuss the future traffic problems in the city of Boston.

The discussion will be held on Tuesday, January 15, at 8:00 P.M., in the large lecture room of the Engineering Building.

The lecture will be open to the public and will be under the direction of the Traffic Engineer of the Boston Public Schools.
