A Group of the Students Who Attended The Last Mid-Year Outing in Jeffrey

A large party left the City on the Sunday afternoon for Jeffrey. The bus was crowded, but the students had the best of the ride. They arrived in Jeffrey at about 6:15 p.m., and found the place already in full session.

The first order of business was to have the students get dressed in their best clothes, for the outing was to be a formal affair. The students were accompanied by a large number of faculty members, who had come to enjoy the outing with them.

The students were then divided into groups, and each group was assigned a specific activity to undertake. Some groups went for a walk around Jeffrey, while others went to the theater to see a play. The students had a great time, and the outing was a great success.

The students returned to the City at about midnight, after a long and enjoyable day. They were all tired, but happy, and the outing was a great way to end the year.
