JUNIOR PROMENADE SIGNUPS WILL BE MADE FEBRUARY 4

Annual Social Event Will be Held in Hotel Student on February 21

PRECEDED BY TECH SHOW

Final arrangements for the Junior Promenade to be held in the Main ballroom of Hotel Student on February 21 are now being completed. As in former years the Tech Show will precede the Prom with the expectation that it will be given in the Ballroom on this occasion.

In addition, just after the conclusion of the Tech Show, at 9:30, a Junior Promenade Band will play in the front in order to make way for the Junior Promenade dance, which will begin at 9:30. Mr. Beeman and his 20-piece orchestra will furnish the music for the affair.

Due to the size and the acoustics of the Ballroom the orchestra will be placed where it will have a considerable effect on the audience, and the music of the concert will certainly fill the hall.

Accordingly, the Junior Promenade Band will play with the exception of intermission music, which will be supplied by the Junior Promenade Committee. For the first time the Junior Promenade Band will be led by Mr. Beeman at 12:30 of O'clock.

Voo Doo Insults Fraternity in January Number

Issue Released Tomorrow Shows Some Unusual Cus-Ha-

"Phosphorous," best contribution to the n'te and humor, at the Institute is to go into effect the Interfraternity Council on the Tech campus. Phosphorous is the first of the Interfraternity Council, which will begin publication for the first time this year. In addition, it is our belief that the Interfraternity Council will be a great success and that it will win the approval of the student body.

Phosphorous is a humorous publication which is designed to make the student body laugh. It is a weekly publication which will be published every Friday. The cost of the publication will be $0.25 per year, and it will be sold at the office of the Interfraternity Council.

At the last meeting of the Interfraternity Council it was decided that the publication will be a monthly publication, and that it will be published every month.

The following is a list of the advertisers:

- "Phosphorous"-Best Contribution to the n'te and humor, at the Institute is to go into effect the Interfraternity Council on the Tech campus.
- "Voo Doo"-Will be put on the market.
- "Electro"-Will be published every Monday.
- "The Tech"-Will be published every Thursday.
- "The Tech"-Will be published every Friday.

"The Tech"-Will be published every Friday. The publication will be a weekly publication which will be published every week. The cost of the publication will be $0.25 per year, and it will be sold at the office of the Interfraternity Council.

In addition, it is our belief that the Interfraternity Council will be a great success and that it will win the approval of the student body.

The Interfraternity Council is an organization of all the fraternities on the Tech campus. It is a student organization which is designed to represent the interests of all the fraternities on the Tech campus. The Interfraternity Council will be a great success and that it will win the approval of the student body.
