"Prebition" and "Opportunities
for College Men" Subjects
of Lectures

ALL INTERESTED INVITED

Under the auspices of the T. C. A., the Institute has prepared a series of lectures at Technology today and tommorow. Twenty leading professors have been chosen to address the student body. The purpose of the series is to familiarize students with the educational opportunities of the top institutions of learning in our own country and abroad, with the new courses in science and engineering and with experiences in other parts of the world.

A few students of the Institute have been turned loose in Boston to see the sights. Other members are attending lectures by the hour and eating within the grasp of all students during their short stay.

Colonel Billings First Speaker
Calling on students at the Institute to speak in Room 102 at 4 o'clock this afternoon, Colonel Billings will speak for the College Graduates in Foreign Countries Committee. Colonel Billings is a veteran of the Spanish-American War and is now a member of the American college graduate body. He has lived in many foreign lands and is an authority on the subject of his address. He is a member of the Algonquin Club in New York and is a member of the American College Graduate Body.

Colonel Billings will speak for the first time in the history of the Institute.

The lectures will be given in the classroom of the Institute at 10:00 o'clock each morning and will be given by prominent men from the field of education and industry.

De Prebus Graduo to Speak

De Prebus Graduo will speak on the work of the National Junior Academic Union. This Union is a national organization of high school and college students who are interested in the promotion of academic progress. The Union has been chosen to give addresses at the Institute this afternoon.
