with a height of 12'1" while the second place went to Brooks of Harvard, 11'8". Ettner took third place with a jump of 11'10". In that event a thrill was felt when Campion of the Harvard forward jumped 10'10" to the nearest line and had his pole knocked from his hand. The standing high jump was won by Frederick with a jump of 8'10" while Cohen and Schwartzman at 8'6" tied for second place. Cohen just got his pole over the bar while Schwartzman could not.

In the running high jump there were the following winners:

They were Benjamin, Stafford of the Harvard Junior track team; Lang, Snyder of the Harvard ski team; and Colby. They tied at the height of 7'10". The record for the running high jump this year is 7'10" and the record was set by Staffiord first, Sebree third, and Colby fourth. The running high jump was also won by Frederick with an easy vault of 5'9".
