Blichard Lectures

A review of ten lectures on "Atomic Structure" is to be given by Pro-Fessor Arthur A. Blichard on Tuesday and Friday mornings at 8 o'clock in Room 10-250, the first lecture to be given next Wednesday. All students are invited to attend.

Undergraduate

TENSONS

All seniors interested in obtaining positions in the apparatus sales service should make arrangements with the Personnel office, Room 4-222, for an interview with the representative of this company on March 8. All students are invited.

TECHNICAL PICTURES

Managers of teams, and Presidents of freshman, junior, and senior societies are invited to call at the Technical Office to secure prints of group pictures for the purpose of taking orders for these pictures.

Tech Show Pictures

Members of the cast and chorus, or any others who wish to purchase pictures of the Tech Show, may obtain them by placing an order with the Tech Show office any afternoon. The pictures may be picked up in the office at Room 4-222 any afternoon this week.

Tech-Sargent Concert

Tickets for the Musical Clubs Sargent-Concert are on sale at the box office of the concert room. The ticket price is 75 cents or $1.00.

INFIRMARY REPORTS

Rushing Business

Red Weather Weathers in Many Sore Throat Cases

Our infirmary continues to do a heavy business and in spite of the fact that no co-eds are there at present to attract patients, the infirmary is a full house. An extra ward with a capacity for ten beds has been set up during the recent gripes epidemic, but even after that eludes of patience and some of the children and thei nurses are still not suf
