M. I. T. ENTERS GYM LEAGUE PAST INDOOR TRACK SEASON WAS VERY SUCCESSFUL

Many New Records Stand As Track Squad Closes Brilliant Winter Season

By Charles Chapman

All the indoor track season this year has been a huge success. One National Junior Championship has been won, and two Varsity, five freshman, and five interclass meet records have been broken, all this being done in the short season of eight meets. Technology track men have conducted themselves very satisfactorily and intercollegial competition, and have done much to enhance the athletic prestige of the Institute.

On January 24 the Varsity Relay team competed in their first meet of the indoor season when they took part in the Eighth Annual Prospect Point Relays in the Boston Arena under the auspices of the Prospect Point. In this meet they won their old opponents, the University of Maine in the three mile relay and the eight man, with 25 yards of 25 seconds, by the third time around.

Good races in R. A. A. Games

On February 18 the last meet of this season was in the R. A. A. games, held in the Boston Arena in February 25. In this meet the only meet for which any of our track men could be taken seriously was the Mile Steeplechase, while the High Jump and the long Jump were the only events in which any of our track men could be taken seriously.

One week later, February 26, the last meet for three of our track men took part in the annual Millrose Games held in New York at Madison Square Garden by a wide margin.

The next meet, February 16, included the following events:
