COMMITTEE ON STUDENT INQUIRY INVESTIGATES CURRICULAR PROBLEMS

Carnival Profits Will Be Employed To Aid Lacrosse

Committee Believes That Action Will Probably Establish precedent

All profits from the All College Carnival, held over for the newly formed Lacrosse team, will be utilized in the equipment. This was decided at a meeting of the committee, which was held last evening in the Campus-Dweller rebel. The committee was thought that some worthy school activities be supported in the way of profit distribution. The profits from the carnival will be divided among those interested. It is shown that the committee has a special interest in the general spirit of the Carnival.

A.I.E. Visits Weymouth Plant Of Edison Co.

Special Guides Conduct Party Through Electric Power Station

Members of the Student Branch of the American Institute of Electrical Engineers held last Friday, at the Weymouth Electric Plant of the Edison Company. Workmen were shown the various features of the station, and then those present were given a short talk on electrical engineering. The party was formed from members of the institute who were interested in the subject. The tour was made by Mr. F. W. Ackiss, who is an electrical engineer with the Edison Company.

C.B. Allen Names Ring Committee

Will Investigate Advisability of Standardizing Senior Ring Design

C. B. Allen, '24, president of the Class of 1924, announced yesterday that he has appointed a committee to investigate the advisability of standardizing the senior class rings. The committee will be composed of Jack L. W. Taylor, '24; John E. L. Allen, '24; and Edward H. Allen, '24. The committee will be responsible for designing a ring which will be worn by all members of the class. The design will be based on the class ring of 1923, which was worn by the class of 1923. The committee will meet next week to discuss the matter.

FORGETTED EIGHTH PSALM

Psalm CXLVIII will be sung as the opening number at the first meeting of the Arts and Science Club. The program will be characterized by a number of the students, who will be present at the meeting. The program will include several numbers by Holst of which the students are fond. The program will be given on Friday evening, and will be repeated on Saturday evening.
