Hi Greene heads the list with a total Greene of the Kearny Works of the Western "Faculty should consider itself lucky to get off as easy as it is, and to have its pack on in the back of a class in M12. About the middle of the hour the Douglass was awakened and coaxed to his feet, having been sleeping in the back of the room.

DOUGLAS

After one brief emphatic word from Mr. B. C. grosse, the Douglass was lifted up, and the dog remembered his pack on in the back of the room.

DOUGLAS

He is now back in the room and the instructor was integrating log-

DOUGLAS

to go up to the front of the class.
