OLD CLOTHES DAY TO BE SUPPORTED BY FRATERNITIES

Dormitories Will Be Requested to Assist in Old Clothes Day to Support Fraternal Activities

PLANS NEAR COMPLETION

Organizations Request Collection of Old Clothes

Letters were also sent to various fraternal organizations in the university by President Davis inviting them to cooperate in aiding "Old Clothes Day" at the institution a success. As a result several have promised their assistance, and it is known that others will be heard from shortly to make the support of the project

The plan, as described by the President, is a completely new project. It is the idea of the Dormitory Association, which was

Fraternity and Sorority LIFE May Be Earned Through "Old Clothes Day"

Fraternities and sororities have responded favorably to the proposal and the only problem to be overcome is the cooperation of the student body. The dormitory, fraternity, and sorority associations have already given their consent to the plan.

Under the guidance of Richard O. Oates, chairman of the Chemical Society, several students have been busy preparing for the first Old Clothes Day to be held at the institute on April 12th. The party left the campus of the university March 7th and arrived at its destination, the city of Bangkok, on March 10th.

A foreign language class at the university has been working on the material for the trip, and a large number of students have been busy preparing for the trip. The plan is to have a tour of the city and to visit various points of interest.

Students of Floating Around University

The university recently received a large number of requests for information about the university from students who are interested in attending the university. The university has been in operation for a number of years and has been very successful. It is located in the city of Bangkok, Thailand, and is one of the largest universities in the world.

Students have been coming from all parts of the world to attend the university, and the university has been very successful in attracting students from all parts of the world. The university has been in operation for many years and has been very successful.
