CIRCUS SET IS COMING
With assurances from the faculty, dormitories, and fraternity supporter Old Clothes, the Carnival will start with the circus, as informed by Mr. B. H. Royer, chairman of the Carnival committee, and he is confident that the circus will start as soon as the tickets are in hand. The price of the circus tickets which disappeared from the T. C. A. office Saturday afternoon have not yet been accounted for. The missing circus tickets, however, have already been replaced by the committee. These tickets are in the hands of the committee, and they are sold to the students in the amount of $1.00 each.

RAGGED CLOTHES DAY
The Ragged Clothes Day will be observed on Tuesday, April 10, in support of the Undergraduate Body. The theme for the day is "Support Our Undergraduate Body." Students are encouraged to wear ragged clothes to show their support.

TECH THE Will Issue
The TECH will issue Tabled for Carnival
Breaking all precedent, THE TECH will issue the Carnival issue on Tuesday, April 10. This unprecedented move is due to the pressing need for the Carnival issue, which will contain all that a New York student could possibly need in a single issue. The press run will be large, and the paper will be distributed free to all students.

MEET THE FACULTY
Mental Expert to Address Faculty
Dr. Campbell speaks on Normal Mental Development, Tomorrow Noon
Continuing the series of talks on the faculty members, the Mental Expert, Dr. Campbell, Professor of Psychology at the University of Chicago, will lecture on "The Development of the Normal Mental Attitude" in the Faculty House, tomorrow noon. Due to the large response, the lecture will be held in the Faculty House.

Chemical Society Meets Tomorrow
Role of Electrolytes in Living Matter Will Be Subject of Address
At the regular meeting of the Northeastern Section of the American Chemical Society, to be held in Huntington Hall, tomorrow evening at 8:30, Prof. A. B. Macallum will speak on "The Role of Electrolytes in Living Matter." The lecture will be held in the Faculty House.

PETROLEUM ISSUE OF T. E. N.
Several Articles on Subjects of General Interest Included Also
"Petroleum," the general theme of the May issue of T. E. N., is in the process of being published. The issue will contain several articles on subjects of general interest, including a review of the current petroleum industry, a discussion of the future of petroleum, and an analysis of the impact of petroleum on the economy.

CORPORATION XV TO VISIT EDISON PLANT
New High Pressure Generating Station Will Be Inspected
Many members of Corporation XV are signing up for the coming trip to the Edison Electric Company plant, Friday afternoon. The plant is at Westport, and the trip is sponsored by the Student Council. The trip will consist of a tour of the plant, and the members will have the opportunity to learn about the latest developments in the field of electrical engineering.

CRISIS CLOSES REDEMPITION TODAY
Today will be the last day for the Students' Redempition class to participate in the Crisis. The drive will be maintained in the interest of the Undergraduate Body until the last possible minute.

CARNIVAL DAY
On Carnival Day, Saturday, April 11, the students will have the opportunity to enjoy a variety of activities, including the famous carnival games, live music, and food. The carnival will be held from 10:00 AM to 6:00 PM in the Main Lobby.

SPECIAL EXHIBITS TO BE SHOWN AT HOUSE NIGHT AT TECHNOLOGY
Special exhibits will be shown at the annual House Night of Technology, Friday, April 13. The exhibits will feature the latest developments in technology and will be open to all students.
