P. H. Starratt '30
Elected To Head Next Technique

Wynne '30 is Manager Editor and Botzow '30 is New Business Manager

At the Technique Rush it was announced that the first volume of Technique is to be headed by Parker H. Starratt, '30, who was elected to head the Rush. He was supported by General Manager George R. Botzow '30, who prepared for the Institute at Mellen High School when he was Treasurer of his class and business manager of the yearbook. It is a student in Naval Architecture and has been active in Technique circles since entering the Institute. He is a member of the Technical honorary society and the American Society of Naval Architects.

In addition to Starratt, the reporting of the Managing Board are George F. Wynne, '30, Business Manager; Frank L. McKnight, '30, Executive Director; Claude F. Machen, '30; Treasurer; and Robert A. McDowell, Jr., Secretary.

Elected To Head Next Technique

Starratt, who is an outstanding student in his department, has been active in the Institute for several years. He has been a member of the Institute's honor society and the American Society of Naval Architects. He has been active in Technique circles since entering the Institute. He is a member of the Technical honorary society and the American Society of Naval Architects.

All Exhibits Are Equally Popular With Huge Crowd

Visitors Remain Longer in Steam, Hydrodynamics and Electrical Air Laboratory

THROUGH LARGER AT NIGHT

On one of the most beautiful days since spring Technique placed both atmosphere and its record in the hands of the rush for the first time in the history of the Institute. The rush extends from 3 to 5 p.m., and an early crowd was present. The rush for the first time in the history of the Institute. The rush extends from 3 to 5 p.m., and an early crowd was present.
