BEAVERS RUN AT ITHACA

TRACK TEAM WILL TEST STRENGTH OF CORNELL RUNNERS

Cornell favored to win in field events while Engineers excel on track

YEARLINGS MEET TUFTS

Tomorrow afternoon the track team will meet Tufts at Ithaca in their first spring meet of the year. The team left last night and will be due to arrive at Ithaca today at twelve o'clock. Cornell has one of the strongest teams in intercollegiate circles and should furnish the excitement in the meet, especially in the field events. Cornell's strength lies with its field men while Technology has a slight edge on the track.

Stars in Several Events

Jandris and Broder in the sprints, Lebam and Holness in the hurdles, Perl, Jochim, and Fuller in the throws, and Williams and Balfour in the mile. In the mile, Jandris and Broder alone have the best chance of picking up points for the Engineers. With Benjammin and Jochim, the 1928 United States Olympic Team, in the event, Cornell's chances are even better than last year, the meet is the fact that Alfred Reynolds, captain of the 1928 team, has decided to enter the meet.

FRESHMEN MEET TUFTS

While the Varsity team is at Ithaca, the freshman team will meet Tufts tomorrow afternoon at four o'clock in the varsity gymnasium. Lebam and Baltzer are expected to have a good showing for the Beavers. The meet will be one of the few cases where the freshman team will meet another university team.

N. E. GYM MEET TO BE HELD AT M.I.T.

Exhibitions Will Be Given by Members of 28 American Olympic Team

Wallace gymnastics will be the scene of the third annual Junior Olympic Meet of New England, N. E. A. A. U. tomorrow night at seven forty-five o'clock. The feature of the meet is the fact that Alfred James, captain of the United States Olympic Team, and Herman Witting, number three man on the same team, will give exhibitions.

Both of the men who will give exhibitions are active members of the New York State Turnverein. They both give a type of exhibition that is thrilling to watch. Members of the Engineer team and the men who will perform as non-competitors are enthusiastic about the meet.

Three Prizes Offered

The meet is being held under the auspices of the New England Turnverein. The Murphy committee and the members of the Student Committee on Gymnastics and those prizes will be awarded in each event to the winners. A gold medal will be given to the championship winners as a silver medal for second place and a bronze medal for third place.

Stars in Several Events

Dartmouth has entered Key, and Balfour in the events while Technology has entered Wall Belmont, William Plante, and Moore. S. R. O., and the New York Anteliers Turnverein also have competitors entered.

CAMEL CIGARETTES

WHY CAMELS ARE THE BETTER CIGARETTE

Cameals are cool and refreshing.

The taste of Camels is smooth and satisfying.

The fragrance of Camels is always pleasant, indoors or out.

Cameals are mild and mellow.

They do not tire the taste nor leave any carygetty after-taste.

Camels are made of the choiciest tobaccos grown—curled and blended with expert care.
