STUDY ENGINEERING IN COOL COLORADO

The University of Colorado, Boulder, is one of our nation's great institutions of higher education. It is the heart of a beautiful university community, with mountains and open spaces just a short distance away. The Boulder area offers a wonderful balance of urban and natural beauty, making it an ideal place for students to pursue their studies.

Lana & Brother Co.,

...Dear Sirs:...

...I have found one small box of our extra High Grade Plug Blended Tobacco, and I have been using it for nearly four years as a tobacco user, and find that it is a superior product, and that it is a great pleasure to use.

...There is no better smoking tobacco on the market today, and I believe that it is the best tobacco that can be bought.
