As We See the Movies

The story of a man who thinks more of the newspaper game than of his family, who cannot leave his desk when a big article is due, who is not interested in his daughter is dying—that is the theme of "The Mummy's Hand" which is at the Mat this week. Pansy, as it is a Paramount picture is an all- talking mystery and an all-talking thrill for the audience. The story is of a strange Pharaoh's mummy which, when freed after a thousand years, still possesses its vitality. The Pharaoh, who is present because of a grudge, which he can not expiate. The mummy almost gets a kiss from the girl.
