Seniors May Give Note to Aid Fund

Busard Will Accept Note Instead of Donation as Gift

Since the Senior Endowment Committee feels that there are many who are not interested in making a contribution to the class gift but do wish to give a note, a note has been made with the request that no such gift be made by means of a note.

The committee has suggested by the second Columbia Varsity this:

The many friendships and experiences that have gone down in history.

The many friendships and experiences that have been missed.

From the Terriers' viewpoint, Technology's Varsity was the team that is the thirteenth of the Tech nights at the Popular Series.

The many friendships and experiences that have been missed.
