TENNIS ENTRANTS MUST SIGN UP IMMEDIATELY

All men who wish to enter the Fall Tennis Tournament are reminded that they must sign up on the sheet which will be found posted on the Bulletin Board opposite the Cashiers Office. Entries will not be accepted after meet Wednesday, October 2.

The Tournament will be run as it has been in the past, according to the rules set down by the United States Lawn Tennis Association. A large chart will be posted on the Bulletin Board, where the daily play may be referred to. The Tournament will be open to all willing and able.

It is highly desirable that the entire schedule be completed be- fore the first of November, as that time will not be especially favorable for tennis.

Sports Desk

Although Technology does not boast of prominence in the athletic world, it has always been noted for the Simon-pure type of sportsmanship that it sponsors. Men at the Institute who take an active part in athletics usually do so at a sacrifice of time which might be employed to devote to their own amusement. The Technology spirit is built up on one thing, and that is that the student has done it on his own and for the love of the sport in itself.

Fall sports and this year is no exception. As a complement to the Institute. As a complement to their track activities for this year, many Frosh men and upperclassmen as well, formed the greatest number of men, and there were twenty-three entries. Many Stars Revealed

Outstanding among the enterprising athletes were Samuel Wall of Somer- ville High, who took first place in both the dash and the distance run. He was accompanied at the dash by two runners from the French and French, Italian and American Foods Luncheons and Dinners—$0.50 Up...

Sophomores and freshmen alike, will, as there were twenty-three entries. First in the shot put was WT. Coodhue, a graduate of Leominster High, who took first place in both the dash and the broad jump.
