WOODEDCHS AND SHAWE WIN
WITH SMALL HANDICAPS
IN THE RUNNING EVENTS

ONLY FOUR EVENTS HELD

Loco, Woodedch, Shaw, and Gron
did not win their events. The
only four races won by the junior-
ior team were the 150 yard dash.

COON, Wordsworth, Shaw, and Gron
are interested in the electric genera-
tion of charcoal. They are planning to
build a generator in the fall, using the
engineer's equipment for the experi-
ment.

PROPAGATION OF RADIO ENERGY
Technology, Harvard, and Radcli
for a comprehensive testing
through months by an engineer
with the city of Cambridge. The
energy used to predict the effect of
the radio waves on the earth's surface.

The experiment will be conducted by
a member of the senior class, who
has had previous experience in the
field. The apparatus will be set up in
the summer, and the experiment will
be conducted during July, August and
September. The experiments will be
made in the Boston area, and the
results will be compared with those
of similar experiments made in other
locations.
