The Lounger

Alas, oh, dear, but the poor tired Lounger is lovin'. If the prominence of his duties they would so regulate their student that he might be sure to have the public. For new names are few ones, as ad the student body to remedy it. Other col-

vantage towards duplicating the successes of freshmen classes by giving dule notice that wthoffenders render themselves liable to f

tee: "That in order to protect the good name of the under-

will depend the outcome. Get out and work, all of you!

Our appreciation of their labors requires no sacrifice, and our

and added new ones. Their work has taken much time and

unlike football and basketball, is not a sport to which students
