MAINE HILL AND DALERS TRY FOR DISTSRT STARK

ENGINEERS, New Hampshire, Bates, and Maine are favored Teams in Run

NORTHEAST IS GOOD
When the starter’s gun cracks, thousands of students from New England colleges will race coat to coat, heel to heel, for three miles. Whether the University of Maine runners will make up the three-mile handicap, to make their third consecutive championship, Maine has won the annual run seven times. Last year the University of Maine, Tufts, T. N. New Hampshire, Bates, and Will were the three schools which competed. Last year, a member of the New Hampshire Intercollegiate Athletic Association, the Dales, took first place.

NEW HYDRAULICS LAB NEARING COMPLETION

Conversion of the old gas engine heating plant to a steam plant is well under way. A concrete foundation has already been made and all the necessary equipment for the new plant is under way.

INFORMATION DEPARTMENT

The Institute Information Department is to be closed on December 31st, and all information concerning the Institute will be given to the students from the office of the Manager of the Institute Information Department.

JANETE PRAISED BY INSTRUCTING STAFF

One of the oldest employees of the Institute is Miss Hamilton, head librarian of the library. She has been here for 15 years, and is well liked by all the members.

In closing, Miss Hamilton said that she was happy to be able to do her work, and that she would be glad to be able to do more in the future.

Instructing Staff

The information department is to be closed on December 31st, and all information concerning the Institute will be given to the students from the office of the Manager of the Institute Information Department.
