Faculty To Be Petitioned For Longer Vacation

Many Students Sign Petition to Extend Xmas Vacation To January 3

"Skip-up New and remains home an extended vacation, possibly three weeks, in the significance of the increased activi-

ties outside the Information Office in Building 16. Per the past week a petition has been circulating through-

the institute in an attempt to secure the signatures of the students who would like to have a vacation

lasting just in time to catch the holidays and confounded and bothered before mak-

ing the door, his face a deep purple.

First Rehearsal Of Cast Of Tech Show On Tuesday

All Men Who Have Tried Out Or Any Desiring To Do So Must Be Present

Tech Show will hold its first cast

rehearsal tomorrow afternoon in the Lecture Room of Walker Mem-

orial. The program began with the tapping of pledges to Scabbard and

Sword. Among the roll call was that of the various mechanics used in

the features of the evening was the

lecture. Bigelow then gave a detailed ac-

of the operation of the dial telephones,

ing the various mechanisms used in

Communications. The program began
