Four Veterans to Play Basketball
In Coming Season
Team will Play First Game at Home—Meets Harvard
December 18

The Technology basketball team, which will be under the direction of Franklin E. Mead, has announced that its first game will be played at home on Saturday, December 18, at 8:30 p.m. against the Boston College Scholastic All-Stars. The game will be played before a large audience and is expected to be one of the most exciting basketball games of the season.

Technology will be represented by the following players:
1. John W. McManus
2. James R. Latham
3. Charles H. White
4. John B. McNeil
5. William T. Boster

In making the announcement, Mr. Mead stated that he hoped the game would be a success and that it would be followed by many more games against other colleges and universities.

VARIETY BOOTERS TO PLAY YEARLING TEAM
Varsity Won Over Weaker Freshman Eleven

Secondly, the soccer team will play their last game of the season in an intercollegiate match. The freshman team will play the Vietnam booters on the Court Field at 3:00 p.m. after the basketball game. The team will be composed of members of the Varsity soccer team and will be under the direction of Coach Charles Curran.

The photograph was obtained while a football team was practicing their summer exercises. The sun was shining brightly, and the players were wearing their usual summer dress. The photo was taken on a camera which had been newly developed, and the results were very satisfactory. The picture shows the players in various positions, and it is evident that they are taking their training seriously.

VARSITY OARSMAEN IN HARD TRAINING

(Continued from Page 3) The varsity crew, after a long period of hard training, is expected to win the race against the formidable Harvard crew, which is expected to be one of the strongest crews in the country.

This year's schedule gives the cage- ballers an early start, with their first game on December 7 against the University of Pennsylvania. After Saturday's game, the booters will play against the yearlings, while most of the remainder of the team is made up of the famous Bas- ketball Varsity of last year, and will be the backbone of the quintet this year.

Learning the technique of distributing the work to the team is the backbone of the quintet, and will be the task of Coach Curran. The team will be composed of ten members, and will be under the direction of Coach Charles Curran.

TECHNOLOGY REVIEW ON SALE NEXT WEEK

Technology Review for December will be on sale in the magazine store next week and will be on display during the regular weekly meeting of the club. The December issue will contain several articles on the latest developments in the field of technology.

 Helpers and assistants will be invited to take part in the meeting, and they will be given the opportunity to present their own views.

CHESS TEAM MATCHES WITHS WALLER HALL

First Match Will Be Played in East Lounge Friday

The match will take place in the East Lounge and will be played in two sets of three games each. The team will be composed of six members, and each member will be given the opportunity to represent his school.

The match will be played in a friendly manner, and the players will be expected to conduct themselves in a gentlemanly manner.

The match is expected to be one of the most interesting and exciting events of the year, and it is hoped that many of the students will attend.

In conclusion, the Technology Review will continue to publish interesting and informative articles on the latest developments in the field of technology, and it is hoped that the readers will continue to support the magazine.

In all, the Technology Review is expected to be a valuable resource for those interested in technology, and it is hoped that the readers will continue to support the magazine.
