ENGINEERS OPEN TRACK MEET AT HUNTINGTON Y
High Jumpers and Shot Putters Send in Signups for Meet

SEASON OPENS SATURDAY
Freshmen Will Meet St. John’s Prep in First Competition

Saturday marks the beginning of the winter high school track season, making every team continue to be training with activity until the team returns to the track in the spring. Many of the competitors who live near Boston have been training faithfully during the holidays, there has been an encouraging turn out since the resumption of school last week. The relay material looks very good, and there is a large number of freshmen who will be entering on the other end of the track field.

Coach Hildred is looking to this time to get into his track and 40 yard dash, and he is planning to run another meeting this season. He is sure that there will be similar to the other meets which he plans, and that there is a good chance that the freshmen will be the mainstay of the team this year. He is sure that the team will be such as to enable everyone to concentrate on training and improving their performance toward the goal that is given early. The squad will be entered in the New England Track and Field League, in which the meets will be scheduled for the entire season.

This meet is sanctioned by the N. E. A. and the A. A. U., and is under the rules of the association. The handicap meet is in charge of the track coach and the official handicapper of the N. E. A. and A. A. U.

The winners in the various events of track meet will receive medals, said for first place finisher for each event, and the invitational team will be represented in the high school invitational meet. The invitational team will be composed of the performances of the event.

In the high jump the names of Clark, Pierce, and Beohner have been entered. In the broad jump the names of Clark, Pierce, and Beohner have been entered. In the discus and shot the names of Clark, Pierce, and Beohner have been entered.

The freshmen are looking forward to this meet.

Liberal Club To Hear Jose Kelly

Jose Kelly, Commissioner of Commerce, Industry, and Labor of the Mexican Republic, will deliver a discourse to the Student Liberal Club tomorrow afternoon at first o’clock in Room 303. Bob Dryer will work out the Mexican Agitator.

All through the Mexican, Mr. Kelly went over a series of the present conditions of Mexico. He tried to explain the complex political and economic conditions of the country. His knowledge of the Mexican dialects and customs was a feature of his speech. His views are very enthusiastic for the welfare of the Mexican people, and he is up to date with the Mexican social, political, and economic conditions.

The improvement of the country that last year has been considered satisfactory to the members of the commission, and to those who have lived long times in them. Potea Spool, the member of the commission who has lived in Mexico for a large number of years, is very much concerned with the Mexican people, and he feels that there has been a marked improvement.

Due to the success of the Te-institu- tion of the Mexican has made huge gains in the taking of the government, which will be available to the students after the pictures have been printed.

The conference of the Mexican and Mexican jackets, with the taking of the government, which will be available to the students after the pictures have been printed.
