WARNER IS CHOSEN NEW PRESIDENT OF ENGINEERING BODY
Society Elects Secretary of Navy as Next Officer

HOLDS PROFESSESORSHIP
Retains Position as Aircrafts Professor At Technology

ROSS L. WARNER '17 was announced to be the new president of the Institute of Aeronautical Engineers Friday night in New York City. Mr. Warner, who was elected president three years ago, will carry forward the work of the late Governor Frederick A. B. Taylor, who held the position of chief of his profession for the Institute and who also served as chief aeronautical engineer at the Navy Department.

After being graduated from Harvard in 1919 with the degree of bachelor of science, Mr. Warner entered Technical High School on the Eleventh District, from which he received his degree in engineering in 1921. In 1924 he received the degree of bachelor of science in aeronautics from the Massachusetts Institute of Technology, where he was employed as an aeronautical engineer for the Air Service. He is a member of the Society of Experimental Test Pilots.

Varsity Taboo
Defeat Bowdoin In Opening Meet
Jacob and Tedick Win First Places Each in Racing Events

Technology's namesakes opened the season against Bowdoin Friday night in Cambridge, in what was one of the first track meets of the year. The outstanding performer of the night was Tech's Tedick, who won both the 220-yard dash and the 200-yard relay.

Tedick beat Bowdoin in the first race, the 220-yard dash, with a time of 20.3 seconds. In the 200-yard relay, he led the winning Tech team by ten yards.

Bowdoin's Tedick broke the record of 20.6 seconds set in 1929 by winning the dash.

Engines Win Medley Relay

Although Bowdoin was in first place in the medley relay, the race was won by Technology, with Bowdoin coming in second. The Bowdoin boys placed third, with Maine in fourth.

Win Relay

The 800-yard relay was the first event in which Bowdoin showed any sign of breaking through their handicap. The Bowdoin runners were handicapped by a 200-yard break, but the men worked hard to make up for the lost time.

The relay race was won by Technology, with Bowdoin coming in second. The Bowdoin team placed third, with Maine in fourth.

Struggles of Technology

les. In the 150-yard backstroke, Bowdoin's Lappin was the winner, with Technology's Lutz in second place. Bowdoin's Lappin also won the 200-yard breaststroke.

In the 100-yard dash, Bowdoin's Prescott won in 16.3 seconds, with Technology's Lutz in second place. Bowdoin's Prescott also won the 200-yard freestyle.

Other Wins for the Engineers

Other wins for the Engineers were in the 100-yard breaststroke, where Bowdoin's Steyer took first place in 70.9 seconds, beating Technology's Dowell by a second.

The Summary

Bowdoin's first event was the 100-yard dash, where their runner crossed the line in 16.2 seconds. In the second race, Bowdoin's tomorrow won the 200-yard freestyle, with Technology's Dowell in second place. Bowdoin's Lappin won the 200-yard breaststroke in 3:06.1 seconds, beating Technology's Lutz by 1.7 seconds.

Bowdoin's Lappin won the 200-yard breaststroke in 3:06.1 seconds, beating Technology's Lutz by 1.7 seconds.

Bowdoin's Lappin won the 200-yard breaststroke in 3:06.1 seconds, beating Technology's Lutz by 1.7 seconds.

Bowdoin's Lappin won the 200-yard breaststroke in 3:06.1 seconds, beating Technology's Lutz by 1.7 seconds.

Bowdoin's Lappin won the 200-yard breaststroke in 3:06.1 second,
